

Dear Friend & Supporter:

On behalf of **Tennis Serves Others**, a 501c3 non-profit organization, we invite you to support our **8th Annual TSO WIMBLEDON Tournament** to be held on June 1, 2024 at Laguna Niguel Racquet Club. This year our **Grand Gala** will be held one week earlier on May 25<sup>th</sup> in Coto de Caza. Please consider joining us at this spectacular event by becoming a top tier donor.

Founded in 2016, **Tennis Serves Others** has provided supplies and over \$500,000 in financial assistance to thousands of people locally and globally through our fundraising events. Our Tennis **SOLES** for Others, Tennis **SUPPLIES** Others, and our TSO **GIVEBACK** program allow us to support the homeless, families in poverty, orphans around the world and local youth tennis programs. We are grateful to have the support of our members, of Laguna Niguel Racquet Club, and of our community. This year, we will grant monies to two local philanthropies that our members voted on:

**Waymakers - Waymakers four youth shelters provide help and hope to struggling children and young adults.** Growing up is challenging in the best of circumstances and overwhelming when situations are adverse. Many youth run away or are displaced by families who are unable to cope with their problems. With an eye toward resolving the crisis and providing long-term stability, Waymakers works with families and leverages community resources to create healthier situations at home. Program goals include: safe shelter in a positive home-like setting; emotional stability through individual, group and family counseling; problem solving and life skills development; integration of healthy habits and coping skills; improvement in educational achievements; family re-unification.

**Queen of Hearts Therapeutic Riding Center - A therapeutic riding center for persons with special needs.** Queen of Hearts Therapeutic Riding Center, Inc.'s mission is to improve the bodies, minds, spirits, and quality of life of persons with physical and/or developmental disabilities and/or mental illnesses through equine-assisted activities and therapies. All age students are accepted, and generally referred by physicians, therapists, and loved ones. Therapy sessions with the horses are individualized and developed and regularly assessed by our professional staff. A few of the disabling conditions our clients deal with include cerebral palsy, spina bifida, paraplegia, developmental and learning disabilities. While horse therapy is fairly new in therapeutic fields, its value is becoming more and more recognized and sought after.

Through your support of **Tennis Serves Others**, you can make a difference by sponsoring our tournament or donating items or goods. Can we count on your support? With your tax-deductible donation, we can use tennis to serve others and provide hope to many. Enclosed please find a pledge form to return with your donation. All donations are appreciated. Together, we can make a difference. We are so grateful for your support.

Love All,

**Kelley McBride**, CEO/President
