Tennis Serves Others — Love All

FALL | 2026

💚 $100,000 OF IMPACT! 💚

Together, We Made This Possible!

Last week, at our TSO Membership Gathering, everything came full circle.
From carefully selecting our 2026 beneficiaries… to months of planning… to our **10th Annual Wimbledon Tournament**… to our unforgettable **Decade in White Gala**—so many hands and hearts came together for one purpose: **to serve others.**

We were incredibly proud to present:
💙 **$50,000 to Fish for Life**
💙 **$50,000 to 911 At Ease International**

$100,000 granted to help children facing serious illness and to support the mental health and well-being of our first responders, veterans, and military community.

To our members, Wimbledon players, sponsors, donors, volunteers, Board and committee members—**THANK YOU!** Every ticket purchased, tennis match played, auction item donated, sponsorship given, and hour volunteered helped make this possible.

We are so grateful to **EACH AND EVERY ONE OF YOU** for believing in Tennis Serves Others and helping turn our shared love of tennis into meaningful impact.

This is what LOVE ALL is all about. 💜💚

TSO Giveback Grants

🎾 YOUTH TENNIS PROGRAMS 🎾

$1,500 Grant to Aliso Niguel High School Girls Tennis

At Tennis Serves Others, we believe every young athlete should have the opportunity to get on the court, be part of a team, and experience all that tennis has to offer.

Through our T**SO GiveBack Program**, we proudly granted **$1,500 to the Aliso Niguel High School Girls Tennis Program.**

This year, the program was severely underfunded and struggling to meet the needs of its young athletes, particularly due to the rising costs of bus transportation to matches.

Supporting youth tennis has always been close to our hearts. TSO proudly helps underfunded youth tennis programs at local schools and parks, helping remove financial barriers and keep young players on the court.

Sometimes a little extra support can make a BIG difference. 🎾💜

Thank you to our TSO members and supporters—you make GiveBack grants like this possible!
